**MINUTES OF THE MEETING OF SIA RESOURCE PARTNERS / PRACTITIONERS HELD
ON 24.08.2026 AT SIROY HALL, IMPHAL HOTEL**

Members Present: At Annexure.

At the outset, the Member Secretary & Director extended a warm welcome to all the distinguished members and conveyed his heartfelt felicitations on their nomination / continuation as Resource Partners / Practitioners of the State SIA Unit, Manipur.

The Member Secretary briefly apprised the members of the role and mandate of the SIA Unit and highlighted the importance of multidisciplinary inputs for ensuring objective and participatory SIA studies.

Thereafter, as per the agenda, the 3rd Draft SIA Report for acquisition of land for the 6-lane Approach Road from NH-02 to the New Terminal Building, Imphal International Airport was taken up for discussion. After detailed deliberations, it was unanimously resolved as under:

- I. The 3rd Draft SIA Report may be reviewed after receipt of valuable feedback / suggestions from the Resource Partners / Practitioners, kindly to be furnished to the SIA Unit on or before 31st August, 2026;
- II. A Grievance Cell shall be made functional in the Department for all concerned stakeholders till 10th September, 2026 on all working days for hearing of grievances related with the land acquisition;
- III. After incorporation of the feedback, the Report shall be uploaded on the official website till 10th September, 2026 and shared with all stakeholders to the extent possible for inviting comments before finalization;
- IV. Relevant observations and recommendations may be appropriately incorporated in the Final Report after necessary editorial, factual and technical scrutiny;
- V. The Final Report shall be submitted to the Government for further necessary action as per the provisions of the Right to Fair Compensation and Transparency in Land Acquisition, Rehabilitation and Resettlement Act, 2013 and Rules framed thereunder.

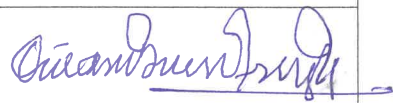

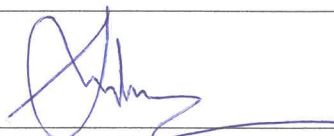

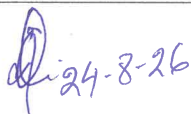

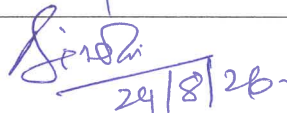

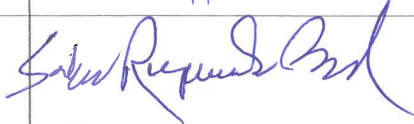

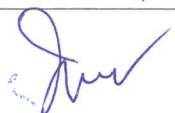

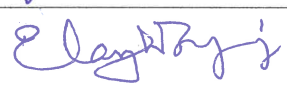

The Member Secretary humbly sought active involvement and continued guidance of the distinguished multidisciplinary panel in future SIA assignments. It was agreed that suitable experts from the panel may be associated as per project requirements to ensure comprehensive assessment, and the members were kind enough to assure full cooperation.

The meeting concluded with a sincere vote of thanks to all participating members.
